ARTIST BIOGRAPHY

SEANDAVZ

French-Haitian artist | Caribbean roots, global vision

Seandavz, born David Sean Barthel, is a French-Haitian artist whose musical identity is rooted in the sounds and cultures that surrounded him from an early age. Growing up in music, he developed a natural connection to Zouk, Kizomba and Haitian Kompa - styles that continue to shape the foundation of his sound.

Rather than limiting himself to one genre, Seandavz brings those influences together with a contemporary, international approach. His music reflects his heritage while moving naturally between Caribbean, African and global sounds.
